Supplement 2 to Attachment 3.1-A specifies and describes the alternative health care plan(s) offered, including requirements for assuring that recipients have access to services of adequate quality.

(2) The agency -

(i) Pays all premiums and enrollments fees imposed on the family for such plan(s)

☐ (ii) Pays all deductibles and coinsurance imposed on the family for such plan(s)

3.6 Unemployed Parent

For purposes of determining whether a child is deprived on the basis of the unemployment of a parent, the agency -

☐ Uses the standard for measuring unemployment which was in the AFDC State Plan in effect on July 16, 1996.

☒ Uses the following more liberal standard to measure unemployment:

An individual will be considered unemployed if the family's countable income and resources as determined for the group defined in Section 1931 are below the eligibility standard used for that group (Attachment 2.6-A, Supplement 12 and Supplement 1 to Attachment 2.6-A, Item A-1) or if the family's income and resources, minus deductions allowed for medically needy, including incurred medical expenses, is less than the medically needy income level (Supplement 1 to Attachment 2.6-A, Item D) and resource level (Supplement 2 to Attachment 2.6-A, Item B).

(Note: This effectively eliminates the old AFDC deprivation requirements from all groups.)
